Glasses

By Henry James

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. I I had been all summer working hard in town and then had gone down to Folkestone for a blow. Art was long, I felt, and my holiday short; my mother was settled at Folkestone, and I paid her a visit when I could. I remember how on this occasion, after weeks, in my stuffy studio, with my nose on my palette, I sniffed up the clean salt air and cooled my eyes with the purple sea. The place was full of lodgings, and the lodgings were at that season full of people, people who had nothing to do but to stare at one another on the great flat down. There were thousands of little chairs and almost as many little Jews; and there was music in an open rotunda, over which the little Jews wagged their big noses.
