

Ramona

By Helen Hunt Jackson

Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. The orphaned daughter of a Scottish merchant and his Native American bride, Ramona grows up in the southern California of the nineteenth century, a golden land of old Spanish missions and sprawling ranches. Ramona's mixed-race ancestry and marriage to a Native American make her a target for bigotry and abuse as the region passes from Mexican control to American statehood and three cultures Mexican, Anglo, and Indian enter into an increasingly heated conflict. Originally published in 1884, Ramona was hailed by Atlantic Monthly as one of the most artistic creations of American literature. Helen Hunt Jackson's richly atmospheric romance was intended to draw attention to the U. S. government's mistreatment of Native Americans after the Mexican-American War. Most of the book's original audience, however, was drawn to its love story and picturesque qualities rather than its political content, and it attracted countless tourists to southern California. The source of four movie adaptations, the novel continues to enchant readers. This edition is graced by appealing black-and-white illustrations.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
