

## 5s for Healthcare

Filesize: 4.66 MB

### ***Reviews***

*Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Germaine Welch)*

## 5S FOR HEALTHCARE

Createspace, United States, 2014. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While there are a growing number of books based on the Toyota Production System, or lean, focused on healthcare, there are very few that detail the tools that make lean more than just a way of thinking and put the methodology into practice. Based on Hiroyuki Hirano's classic 5 Pillars of the Visual Workplace and modeled after the Shingo Prize-winning Shopfloor Series for Lean Manufacturers, 5S for Healthcare adopts a proven reader-friendly format to impart all the information needed to understand and implement this essential lean methodology. It provides examples and case studies based on the experiences of the principals involved with the Rona Consulting Group, who were responsible for the groundbreaking implementation of the Toyota Production System at the Virginia Mason Medical Center. Written to readily assist with hands-on implementation efforts, this volume offers innovative features designed to improve understanding and support application. This includes helpful how-to steps and practical examples taken directly from the healthcare industry.
