By Croc E. Moses

Unisa Press. Paperback. Book Condition: new. BRAND NEW, Driftwood, Croc E. Moses, Ex Canadian turned South African Henrik Brand aka Croc. E. Moses comes of many places; he speaks in the voice of a modern day court jester, sometimes troubadour. His topical poems and protest songs ask us to place ourselves u where are you now in the cosmic entanglement? Are you the puzzle youAEre intent on fleeing? The Croc hints, teases at overscaled expectation and mutterings of self hood, and his poetry offers an original insight into the contemporary South African social and political landscape. CrocAEs song/poems partly come of his living virtually outside of institutions and corporations, unbound by securities. So comes a mantric humour that comments on living out the odds, hopping direction when doubt or despair untune the livelihoods of creative thought. Whatever can be made of the craft of Croc. EAEs art u how it concentrates a many pieced suggestion; how its refraining twists angles that trip attention u he offers a crying laugh as a sensitive songster poet to a future leaner world.
