Reviews

This ebook might be really worth a go through, and much better than other. I have got study and i am sure that i will going to study again once more in the future. You will not feel monotony at at any moment of your own time (that's what catalogs are for regarding in the event you request me).
(Krista Lindgren)

THE BOBBSEY TWINS COLLECTION, VOLUME 4 ON BLUEBERRY ISLAND ON THE DEEP BLUE SEA IN WASHINGTON

Flying Chipmunk Publishing. Paperback. Book Condition: New. Walter Rogers (illustrator). Paperback. 354 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. One of the longest running story series for children is The Bobbsey Twins and it has delighted children and their parents for over a hundred years now. Follow the adventures of two sets of young twins at the turn of the Twentieth Century when there were no telephones, radios, or televisions, and horses and carriages were common-place. When the series begins (1904), Bert and Nan are eight, and Flossie and Freddie are four. The twins enjoy wonderful days filled with sunshine and love with their playmates, Grace, Nellie, and Charlie, and get into and out of trouble as only little kids can manage. Their dog, Snap, and their cat, Snoop, go along on many of their adventures as the twins spend the summer on Blueberry Island and many things happened to them, to their goat, cat, and dog, and to a queer boy. Freddie lost some of his go-around bugs, and there is something in the book about a cave. Then the family goes on a voyage to an island off the coast of Florida, to rescue a poor, sick boy who had been left there by mistake, and many things happen on their trip. Finally, the family visits our nations capital Washington, and see not only George Washingtons Monument, but the president as well, and all the while Bert and Nan search for two of Miss Pomprets lost China dishes. The Bobbsey Twins is one of the many children series written in the early 20th Century by the Stratemeyer Syndicate. Usually the first book in each series was written by Edward Stratemeyer, who then produced outlines for the other books in the series and hired writers to produce the actual books...
