THE BEST OF BOTH WORLDS OF ESSIE: ISLAND STYLE NOVEL

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Mrs. Essie Brown was having the time of her life. She was now an honorable matriculated New York resident in New York City, the ultimate big city. However, she never forgets her striving family, which was now dispersed all over the globe. If you have already read, *Romancing On The Beach*, *Romancing Essie*, *A religious Romantic Ending*, or *Romance: Hot Island Erotica*, then this is the rest of the story. This is the other half of the story that has never been told. See what became of Essie after her many romances. This is a must read. This story concentrates exclusively on Essie's (the main character from *The Non-Silence of the LAMB*) adulthood years. However, their lives were not all hunky dory. Each child's life carries its own drama and nail-biting events that thrust Essie in the midst of them all. Many of these involved immigration issues and the parity of right and wrong in various sibling rivalries. Essie is forced to take sides and face the consequences of the others' wrath. Excerpts from this book; Essie had nothing but undisturbed time also to reflect on her kids who had broken through thick, seemingly impenetrable barriers to get to where they were going. Gena, for instance, had made a simple promise to go and prepare a place for the family in the United States, and...
