COLD STORAGE, ALASKA

Soho Crime. 1 Cloth(s), 2014. hard. Book Condition: New. The Shamus Awardwinning creator of the Cecil Younger series, as well as a former criminal investigator and the 20062008 Writer Laureate of Alaska, John Straley here gives us a standalone mystery in a tiny corner of our biggest state. Cold Storage, Alaska, is a remote fishing outpost where salmonberries sparkle in the morning frost and where you just might catch a King Salmon, if you're Zen enough to wait for it. Norse fishermen once liked to skinny dip in its natural hot springs, and the town was prosperous at the height of the frozen fish boom, but now the cold storage plant is all but abandoned. Clive "The Milkman" McCahon returns to his struggling little hometown after a seven-year jail stint for dealing drugs, not realizing the trouble he brings in his wake: his vengeful former business partner is following him, while a stick-in-the-mud State Trooper is dying to bust Clive for narcotics. And on top of it, Clive suspects might be going insane, as he's been hearing animals talking to him."After seven years in prison, Clive McCahon heads home to Cold Storage, Alaska. On the way, he liberates a pile of cash from his drug-dealer former boss and adopts a dog as big as a wolf. Clive plans to open a bar/church and reacquaint himself with the tiny burg 'clinging to the sides of the mountains with no roads, no cars, and virtually no sense of the outer world.' But his older brother, Miles, suspects that Clive will 'bring his own excitement'; it comes in the person of his vengeful former boss, who, in addition to selling drugs by the pound, also writes screenplays. Accessible only by boat or float plane, Cold Storage seems to be somewhere northwest of Chichagof...
