Thomas Nelson Publishers, United States, 2016. Paperback. Book Condition: New. 213 x 139 mm. Language: English . Brand New Book. Gwen Marcey takes death in stride. Until she s faced with her own mortality. Forensic artist Gwen Marcey is between jobs when she accepts temporary work in Pikeville, Kentucky-a small town facing big-city crime. But before Gwen can finish her first drawing of the serial rapist who is on the loose, the latest witness vanishes. Just like all the others. Gwen suspects a connection between the rapist and the accidental deaths that are happening around town, but the local sheriff has little interest in her theories. When her digitally-obsessed teenage daughter joins her, Gwen turns her attention to a second assignment: going undercover in a serpent-handling church. She could get a handsome reward for uncovering illegal activity-a reward she desperately needs, as it seems her breast cancer has returned. But snakes aren t the only ones ready to kill. Can Gwen uncover the truth-and convince anyone to believe her-before she becomes a victim herself? In a thrilling race against time, When Death Draws Near plunges us into cold-case murders, shady politics, and a den of venomous suspects.
