Thomas Nelson Publishers, United States, 2010. Paperback. Book Condition: New. 206 x 135 mm. Language: English . Brand New Book. A map, written in code and hidden in the gospel of Matthew, reveals a truth so explosive it could rock the foundations of Christianity-or lead to its rebirth. A cleric appears out of the rain-spattered darkness, bearing a mysterious message: A long-lost map with the power to transform men is on the verge of being discovered. Thrown headlong into a global chase, author David Murrow must race to find the map before it falls into the wrong hands and disappears forever. The Map, which begins as an action thriller and then transitions into a modern-day parable, reveals the path every great man - including Christ himself - has walked. In this dynamic follow-up to the best-selling *Why Men Hate Going to Church*, Murrow cleverly translates the masculine spiritual life into an actual, ink-on-paper map. Then he shows men where to find the map in the New Testament and how to walk its ancient paths today.
