The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Simon & Schuster. Hardback. Book Condition: new. BRAND NEW, Biblioburro, Jeanette Winter, Luis loves to read, but soon his house in Colombia is so full of books there's barely room for the family. What to do? Then he comes up with the perfect solution--a traveling library! He buys two donkeys--Alfa and Beto--and travels with them throughout the land, bringing books and reading to the children in faraway villages. Beautiful! Complete with an author's note about the real man on whom this story is based.
