

The Greentail Mouse

Filesize: 4.86 MB

Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

(Dr. Marcel Collins)

Random House USA Inc, United States, 2013. Paperback. Book Condition: New. 221 x 173 mm. Language: English . Brand New Book. Originally published in 1973, this is the offbeat fable of a city mouse who visits his peaceful country cousins and tells them about Mardi Gras in the city. The country mice are inspired to have their own Mardi Gras. And at first, it is fun wearing their masks with sharp teeth and tusks and scaring each other, but after a while, they begin believing that they really are ferocious animals. Leo Lionni's winsome mice cavort across big double-page spreads of oil paintings and tell a story about what is real and what is not that is just right for preschoolers. Reissued in hardcover in 2003, it now makes its debut in Dragonfly paperback.
