Trafford Publishing. Hardcover. Book Condition: New. Hardcover. 72 pages. Dimensions: 8.3in. x 5.6in. x 0.6in. Debra and her sister Chanise were born only 18 months apart. Chanise is the oldest of the two. Fact, they don't always see eye to eye but when it comes to finding out what happened to their dear friend Mrs. Brown or Mama Brown as they affectionately called her, they would stop at nothing. That's until Debra lied to the police and threatened their freedom. How will they uncover the mystery behind Mrs. Brown's disappearance? It will take a family effort and the breaking of more rules to get to the truth. As a little girl, I would make up stories and pretend I was solving mysteries. So, I tried to make this book unpredictable, full of twists and turns and yet leave you teary-eyed at the same time. I wrote this book to inspire, educate and entertain people, especially children and teens all over the globe. The characters are modeled after my daughters, husband, nephews, and nieces. Their unique personalities shine through and once you're finished reading this novel you will feel as though you're apart of our family. There are some serious subjects covered in this book including Diabetes, bicycle safety and honesty. Please take the time to learn more about each subject by visiting the links at the end of the novel. Here are the main characters: Chanise - genius, nerdy, intellectual Debra - emotional, determined, quick on her feet Mrs. Brown - warm, loved by all Mr. Jenkins - computer guru, relaxed Mrs. Jenkins - a registered nurse, daring Enjoy - Carla This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
