To do this in the most expeditious, effective and economical manner, his story should be told in Printers Ink. All advertisers everywhere read Printers Ink. In Making up your Schedule For the coming year if you value business outside the large cities Dont Jump Over the local country paper. That the country weeklies are fast being utilized by thinking and farsighted advertisers, is strong evidence that the class of people living in the smaller places are most desirable folks to talk to. They are responsive and reliable, and their local newspaper is the particular medium they trust in and pin their faith to. Thousands of country people never read any other newspaper than the one published in their own town, and if your ad is not in their paper they can know nothing about you or your goods. There are 1, 600 of these local papers on the Atlantic Coast Lists. They reach weekly one-sixth of all the country readers in the United States. Catalogue and estimates for the asking.
