A number of the products that are available now in the United States through our registration or section 18 Program are products that have been available in Brazil in particular, how-ever, there are a couple of products that were used in Brazil over the last few years that have not been authorized in the United States. UCAS Mr. L. Because that has always been one of the classic com-ments from my constituents back home was of this issue or other issues about how the battle to fight these kind of things differs from around the world. You mentioned the application approval process on the fungicides. Have the most recent applications for soybean rust treatments been approved as far as you know, Mr. Jones Mr. J. If you are referring to, there are a group of 5 active ONES ingredients that are currently not registered at all in the United States that came to EPA on March 30, that group. They have not been and as I mentioned in my testimony, we are actively working with colleagues around the world to see if their safety assessments can be used by the EPA in making our determinations here. Mr. L. The Chair now turns to Mr. Pomeroy for any ques-UCAS tions he might have. Mr. P. I would like to ask a question of Dr. Jen. OMEROY Doctor, it is very nice to see you again and I appreciate...
