THE GALACTICS

Hehunakai Books, United States, 2013. Paperback. Book Condition: New. Angela Treat Lyon (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Galactics should never, ever, display their powers in public. This is the first rule, the one all Galactics follow, and the one that Mano s uncle breaks after having one too many drinks. When his uncle is arrested for violating Galactic law in a bar, Mano Orion, a senior in high school, finally finds out that he is also part of that powerful group: he is also a Galactic. As he learns about his heritage and what being part of the Galactics means, Mano begins hearing about other arrests, too many to be normal. With his friend, Eme, Mano launches an investigation, one that none of the adults want to allow. As they struggle to convince other Galactics to help them launch a rescue mission, Mano and Eme have to learn to harness their own powers as best they can while also coming to terms with how they feel about each other. But nothing can prepare them for the secrets and lies that await them when they find the imprisoned Galactics. With their lives and the entire history of their people unraveling, Mano and Eme will have to trust each other and their powers to be the leaders the Galactics need.
