Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book can be viewed as a response to a call sounded by Dr. Thomas Mahnken at the Forces Transformation Chairs Meeting in February 2007. Dr. Mahnken, Deputy Assistant Secretary of Defense for Policy Planning, pointed out that the United States responds to shocks most successfully when it has already recognized and responded to the trends from which they emerge. It is less successful when those trends have gone unidentified or when no effective response to them has been mounted. One case where the trends were not recognized in time was the terrorist attacks of September 11, 2001. It thus becomes necessary, Dr. Mahnken concluded, to develop a means of identifying trends and responding to them before acute challenges emerge. Forecasting International (FI) heartily agreed. FI is one of the world's premier futurist organizations. It specializes in the analysis of trends. To our knowledge, we were the first such organization to apply trend analysis to the problem of terrorism. We did so with considerable success. FI began its work on terrorism in 1994, when...
