## Regional and Local Economic Analysis for Practitioners

By Avrom Bendavid-Val

ABC-CLIO, United States, 1991. Paperback. Book Condition: New. 4th Revised edition. 235 x 159 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the fourth edition of Avrom Bendavid-Val's classic book that has become a standard for practitioners and students of public administration, urban and regional planning, and regional economics. Last revised in 1983, the work now provides a comprehensive practitioner-oriented study of the state of the art of regional and local economic development planning, with emphasis on specific project activity arrived at through an analysis of the regional economic context. The book is written in a straightforward style, free of technical terms and jargon, and is suitable for readers without an extensive background in economics, mathematics, or statistics. In addition, all analytical work is presented in a form that can be carried out without the use of vast databases or computers. Bendavid-Val divides his work into five basic parts, each covering a different feature or method of analysis and planning. Part one introduces important aspects of the overall economic and development context within which the methods of regional analysis are used. Parts two, three, and four offer an introduction to common descriptive methods of...
