Randall House Publications, United States, 2008. Paperback. Book Condition: New. 231 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.Birds in My Mustard Tree is a six-week small group study that looks at the subject of faith as an active, growing part of our walk with God. This study begins with a review of the concept of faith that leads to lessons on exercising faith, amazing faith, shattered faith, resting in faith, and a stronger faith. The author examines several heroes of faith in the Bible and adds modern anecdotes along with her personal stories to make this process result in a solid faith in God. Faith may begin as a mustard seed, but the goal is to expand it until we have birds roosting on our mustard tree of faith.
