Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Youve watched him mentor talented designers on the hit television show Project Runway. Now the inimitable Tim Gunn shares his personal secrets for making it work in your career, relationships, and life. Filled with delightfully dishy stories of fashions greatest divas, behind-the-scenes glimpses of Runways biggest drama queens, and never-before-revealed insights into Tims private life, Gunns Golden Rules is like no other how-to book youve ever read. By following eighteen tried-and-true principles, you can apply Tims rules to anything you set your mind to. Youll learn why Tim frowns on displays of bad behavior, like the vitriolic outburst by Martha Stewarts daughter about her mothers name-brand merchandise. Youll discover the downfalls of divadom as he describes Vogues Andr Leon Talley being hand-fed grapes and Anna Wintour being carried downstairs by her bodyguards. And youll get Tims view on the backstabbing by one designer on Project Runway and how it brilliantly backfired. Then there are his down-to-earth guidelines for making life better for yourself and others in small and large ways, especially in an age that favors comfort over politeness, ease over style.
