Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the Second Edition of a rare but significant book published in 1924. It includes the following new material: an Introduction, an About the Author section, and Barnes letter to Wilson which initiated the exchange of letters. (The first edition had Wilson s letter to Barnes, but not Barnes letter to Wilson.) The editor of the Second Edition adds this note to readers: I hope you will enjoy reading this revised Second Edition, the correspondence between two early proponents of making the study of Administration its own field of study, separate from Political Science. -- Peter V. Andrews, great grandson of the author, Almont Barnes. In June 1887, Political Science Quarterly published the article The Study of Administration, by Woodrow Wilson, then a teacher of ancient Roman and Greek history at Bryn Mawr College, near Philadelphia. The article is considered a foundational article in the field of public administration, making Wilson one of the field s founding fathers. Wilson later became a regular contributor to the magazine. In the article, Wilson argued that Public...
