Attitude LLC, United States, 2015. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****. A fresh and insightful perspective on American healthcare. Health Attitude presents an optimistic future where innovation, technology, empathy and sound business principles collide into a big-bang of better healthcare! In the enlightening and timely new book, *Health Attitude: Unraveling and Solving the Complexities of Healthcare*, Dr. John R. Patrick unravels the American healthcare system in terms even newcomers to the healthcare policy debate will understand. He arrives at the fascinating conclusion improving healthcare delivery and outcomes is not solely a matter of technology or cost. It s a matter of attitude. It s not disease, dollars or doctors standing in the way of safe, affordable healthcare, says Dr. Patrick. The solution includes a new health attitude for patients, providers, payers, and policymakers. Only when we confront the challenges of the healthcare system can we create meaningful change. In *Health Attitude*, Dr. Patrick unveils his strategy for true healthcare reform which includes a system focused on patients and explores the fascinating potential of new technology which can transform the industry. He paints a positive vision to make these solutions a reality, leading to more affordable and effective healthcare for all. Throughout the pages of *Health Attitude*, timely topics explored include: The cultural, attitudinal, and technological barriers holding back the United States from achieving a more affordable, accessible, and effective healthcare system. The positives and negatives of Obamacare, and whether it should be repealed. The reasons behind the high costs of healthcare, including fraud, waste, unnecessary tests, and expensive drugs. How the combination of cloud computing, big data, analytics, mobile devices, 3-D printing and robots will revolutionize medical care. The consumer-based movement taking shape right now in healthcare,...
