The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: Russian . Brand New Book ***** Print on Demand *****.These poems are part of a compilation of 30-years worth of attitudes, feelings, ambitions and observations by a person who has been endlessly looking for answers in a convoluted human environment, a collection composed by one who wore many hats. He was a lovable student, a religious fanatic, an international trade manager and a reputable language professor. As Sergei Gora likes to repeat: The fact that my attitude s reality exists, proves that many other people think in the same way. Sergei Gora represents the generation of Russia s citizens born in the USSR in the second half of the 20th century who emigrated from RF (so called Russia) in the 80s and 90s, for he chose not to share in the philosophy of RF criminal and corruption structures that continue to this day. Brilliantly educated, having notable success in international endeavors in one of the first Russian-based joint ventures, he became one of those professionals who achieved the highest ranks in a country in which he came to call home.
