 Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.

Weapons of Self Destruction This is a management book with a difference. It covers aspects of management that many business authors ignore and it weaves them all, chapter by chapter, into a comprehensive instructional guide that will both challenge and open the mind of the reader with clear and concise explanation. It will then provide a compass bearing to follow to a better way to manage and gain outstanding results. This is not a book to be read as a novel, neither is it designed exclusively for those who are new to management, since it challenges existing hide bound management philosophies and offers instead a refreshingly enlightened view of how to become the best. You may sometimes wonder how some people seem to effortlessly move up the ladder whilst others struggle, don't worry because Once you too fully understand the principles, learn the dynamics and apply them consistently, you too will move quickly toward the top! The chapter on Default settings very interesting, Rambos and Meganegs- Brilliant! The Success Equation is a very useful tool...
