ORANGE: THE CORRUPTION, SIN AND ENLIGHTENMENT OF AN AMERICAN SLUT

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Like a sunset, or a bomb blast, you can t look away from Orange. With a reminiscent soundtrack and a relatable (though blindly infuriating) nature, Sugar Honey Candy s odyssey will move you from the corruption and sins of her youth, down the unusual and winding road of her enlightenment. You will be captivated and horrified by the choices and means of her existence. Her journey is lived through myriad experiences, but the rollercoaster of emotions along the way will leave you wondering whether to hug her or shake her. Many people will connect with Sugar s story (probably quite uncomfortably and not quite truthfully). She reminds us that those things we are exposed to from a young age, and the choices we make along the way, will color our world for the rest of our lives. For Sugar, that color is orange.
